Life is an act of consumption

He hasn't earned a place in society

to demonstrate his authority

Word to Word First Takes

Mesolimbic Pathway- This pathway releases dopamine, the brain pleasure chemical into a tiny area called the nucleus accumbens . The N A is like a switchboard that tells us when a substance like a drug or like sex or eating or exercise feels good.

If you want to start a movement you have to start locally in cities and the state. If you want to change the culture you have to do the hard work of changing hearts and minds in localities first.

The personality is going to drive the policy

Cheap rent and an inexpensive life style.

Why not create your own reality.

I've never had any musical,art,film or writing training or education. Only a great interest and commitment. My training has been in Theater and Improvisation.

Its about making people more of what they are

Always demonstrate trustworthiness , honesty, reliability and sound judgement

Correlation is not Causation

A dog doesn't bark at a parked car

He has a unique credibility on this issue

is hurting peoples feelings more important than free speech. You can do anything you want until you lose decency to people you have a right to say whatever you want.

Curious and Determined

You have an opinion of your own.

You have a talent, you have a chance to show that talent. You have a chance to leave a great legacy behind.

Appreciate every step forward but modulate your expectations

If you are a hammer everything looks like a nail

My Canvas is life

Karma is Justice without the satisfaction

More production less consumption

Speaking to an audience of one

Things of consequence rarely happen by accident

Its not just taking off a band aid its like taking off an arm

She has way more pride than her physical appearance would suggest

I come from the bottom up
